

Dominic A. Willard, Jr., AIA, NCARB, LEED Green Associate

PRINCIPAL

dwillard@manningarchitects.com

Since joining Manning Architects in 2003, Dominic has served as project architect then promoted to Senior Associate, and now Principal on multiple hospitality, education and transportation projects. Dominic is experienced in all phases of the design and construction process, from programming and design development through construction administration. Dominic possesses a comprehensive background in the art of building construction, having worked in the field since 1994. Dominic is a LEED Green Associate, and has earned the National Council of Architectural Registration Boards (NCARB) Certificate and met the highest professional standards established by the registration boards responsible for protecting the health, safety, and welfare of the public.
